

BST Summer Camp - 2 to 5 years old

Looking for a summer camp that combines play, exercise and English education?

BST summer camp is perfect for children age 2 - 5.

Each weekly session unfolds around a captivating theme to encourage hands-on learning and engage campers in new stimulating indoor and outdoor activities to build their confidence in the English language as we play and learn together.

Join us for games, sports, music and movement, cookery, nature walks, arty activities, and lots of fun, where our days are filled with opportunities to use those 'big' imaginations.

All activities are carried out in English.

Week 1

This week's theme - Little Artists

Become an artist and explore all sorts of colours. Our little artists will have ample opportunities for hands-on-learning investigating their world through different colours and texture with each day's sensory discovery.

Week 2

This week's theme - Pirates and Mermaids

Get ready to make a splash. Each day's Watery Adventure takes us on an exciting imaginative trip with mermaids, pirates, and sea creatures to develop new skills and connect with each other on our first week of camp. Ample opportunities for hands-on learning and the children to investigate their world through water-play, bubbles, and sea life.

Week 3

This week's theme - Movin' and groovin'

Are you Ready? Get Set..... GO!!!!

Large Group Games and a variety of sports and dances that help build all those muscles while the children have fun together and work as a team.

Campers will use their speed and movement skills to play hard and enjoy some fun competitions.

Week 4

This week's theme - Super Campers

Getting to the end of our adventure we will become Super Campers! This week we will learn all about our different super powers and get the most out of them.

All activities will improve our concentration, strength and our fine and gross motor skills and most important....we will be having lots of fun together!
