

ENGLISH

Fred the frog will continue introducing diagraphs in phonics while we let the Christmas spirit ring with *The Snowman!*

Capital letters, finger spaces and full stops will be the key to write our perfect Christmas letter to Santa.

ESPAÑOL

A través de fichas, vídeos y juegos trabajaremos el reconocimiento de grafías asociadas a sus correspondientes fonemas, en concreto: R, H, C, Q, G, B, V.

TOPIC - HISTORY

We will discover some of the most amazing prehistoric creatures that lived millions of years ago: Dinosaurs.

Are you ready to create, dig and find your own dinosaur fossils?

Year 1

Autumn Term 2

MATHS

We will learn some basic symbols and vocabulary (+ / - / = / > / <) as well as using number bonds to add and subtract.

We will also revise 2D shapes before introducing 3D shapes (e.g., sphere, cone, cuboid, etc).

MUSIC

Children will develop a sense of steady beat through movement, body percussion and instruments as well as using their voices to charm us with Christmas carols.

Science

We will be focusing on the life cycle of caterpillars and frogs, examining the ways in which animals adapt to their habitat.

P.S.H.E.E

During this half term, children will learn how to play safely understanding the consequences of their actions and the differences between *right* and *wrong*.

ART

We will be expressing our creativity using different textures and natural elements to represent upcoming events such as Diwali and Christmas.

P.E.

Children will develop grasping skills and eye-hand coordination by throwing and catching different objects (balls, bean bags, etc) with control, accuracy and power.
