

ENGLISH

Children will go on a journey to the South Pole to find, lose and regain friendship with our story book *Lost and Found*.

Students are now able to recognise most sounds and blend them accurately to understand and retell stories.

ESPAÑOL

Trabajaremos el silabeo (con los sonidos f, l, j, v) y utilizaremos recursos digitales y fichas de lectoescritura.

Tareas en casa: normalmente repaso de alguna grafía ya impartida en clase.

TOPIC - HISTORY

This term we will learn about the power of stories from the past to the present and beyond.

Children will celebrate *World Book Day* by visiting a story teller and learning how stories have always been told to bring people together.

Year 1
Spring Term 2

MATHS

During this half term children will be able to count, order and recognize numbers to 50.

They will also become familiar with the terms shorter, longer, taller, heavier and lighter as they learn and practise how to measure and compare lengths, heights and weights in and outside the classroom.

MUSIC

Children get ready for our Easter parade and assembly, by creating their own choreography and learning the spring song: Roots, Stem, Leaves and Flower.

Science

Children will identify the different seasons as they welcome Spring by planting and watching their flowers bloom. We will celebrate the end of term by visiting a garden centre.

P.S.H.E.E

During this half term, students will be learning different character traits with the *Inside Out* film to get to understand their peers and develop their empathy.

ART

Children will be making crafts celebrating upcoming festivities such *International Women's Day*, *Father's Day* and *Easter*.

P.E.

Children will be using their eye-hand coordination to move objects by bouncing, throwing, catching and passing.
