

## ENGLISH

Our English work this half term is about discovering marvellous monsters. We will read some poems, invent new monster words and try to find interesting facts about the creatures. We will be learning to find and use powerful verbs, compound adjectives, similes and relative clauses. We may even find some evidence of the creatures visiting the school in the garden area and the classroom!

## ESPAÑOL

Trabajaremos la separación de sílabas, afianzaremos las mayúsculas y las grafías c/q. En Conocimiento del Medio estudiaremos el sistema solar.

## TOPIC - HISTORY

The focus this half term is Oceans and Seas. Looking at maps and facts and learning the names of oceans and seas as well as discovering creatures.

## Computing

This first half of this term we will be learning how to use an iPad for photos, videos, screenshots and to write on.

Year 3

Autumn Term 1

## MATHS

Our maths this half term is focusing on place value and addition and subtraction. We will be practicing our 2, 5 and 10 times tables. Moving on to the 3, 4 and 6 times tables. The children need to be skilled at number bonds to 20, as well as counting in 10's from different numbers up to 100.

## MUSIC

We will learn to sing and to use our voices, to create and compose music on our own and with others.

## Science

We will be studying Animals Including Humans. We will learn about the body, the skeleton, muscles, a healthy diet, nutrition and how we are different to plants. We will create a healthy lunchbox using the seven nutrients and name parts of the skeleton and body. We can even make our own skeletons!

## P.S.H.E.E.

We will be discussing and naming emotions, understanding our feelings and how to respect others as well as dealing with conflict respectfully.

## ART

We will look at work by Franz Marc using pastels, charcoal and paints and make recycled sculptures of sea creatures.

## P.E.

This half term we will play invasion games. This involves a variety of ball skills and tactics to evade the opposition.
