

ENGLISH

In English this half term, we will be reading and performing poems which use personification, similes, metaphors and alliteration. We will then be writing some of our own. Our second English project this term is based on a short, animated film that we are keeping as a surprise! Our written work will involve describing settings and characters using some of the techniques learnt from the poetry project. We are sure that the children will be delighted to show you their final videos!

Computing

We will be producing and editing videos as part of our multi-media work.

TOPIC – GEOGRAPHY

We are investigating tourism. Have a look out for the children's promotional videos for their amazing hotels and their virtual tours.

P.S.H.E.E.

We will be reinforcing the importance of internet safety and raising awareness of dyslexia, A.D.H.D. and genetic disorders.

ESPAÑOL

Lengua Castellana: Clasificación de enunciados (según intención del hablante); Sinónimos y antónimos; El verbo; Textos argumentativos; Dar instrucciones, Interjecciones.

Ciencias Sociales: Estudiaremos el clima así como las causas y el desafío del cambio climático en España.

Year 6

Autumn Half Term 1

MUSIC

We are singing songs and building rhythm and creativity skills.

ART

We will be working on our sketching techniques and creating beautiful batiks.

MATHS

Our maths begins with learning about the place value of numbers to 10 million! During this unit, we also work on rounding numbers and negative numbers.

We will be building on previous work involving the 4 operations (+, -, ÷, x). We will learn about factors, multiples, prime numbers and square and cubed numbers. The children will discover the secrets of BIDMAS.

Science

We are studying living things and their habitats. The children will learn about the 7 common life processes (MRS. GREN) and the ways plants and animals are classified. We will then move on to study micro-organisms – both the helpful and the harmful ones!

P.E.

We will be learning the skills and tactics required to play a variety of striking and fielding games and improving our core strength through gymnastic work.
