

## Teaching and Learning Lead

**Closing date:** 31/03/2023

**Job description:**

### Teaching and Learning Lead from September 2023

#### Full-time

Are you passionate about Teaching and Learning? Do you want to make a difference whole school . both primary and secondary? Do you want to remain an educator but try a slightly different role- one which fully supports your own professional development and career in education?

#### **Background**

British International School works to inspire, motivate and empower every child and professional to embrace lifelong learning and positive outcomes for pupils. Our vision is for all members to contribute to and benefit from exceptional levels of continuous professional development, high impact peer support and evidence informed practice.

#### **Role**

We are looking for an outstanding teacher and learning practitioner who has a genuine passion to improve learning. The candidate must be able to work alongside a positive and supportive senior leader team. The role will require a practitioner who is keen to research and deploy effective CPD, recognising the impact of a relentless focus on teacher development leading to greater improvements in student outcomes.

#### **The role will involve:**

- Researching and writing CPD to support teacher development and career pathways.
- Coordinating and developing a mentoring team in their role supporting teaching.
- Being committed to leading on establishing and maintaining links with both Primary and Secondary sites within the teaching school alliance and beyond whilst engaging in support and the development of teaching and learning.
- Cultivating a passion for developing the curriculum as part of a wider approach to system leadership and have a strong commitment to the school improvement plan.
- Liaising with the Heads of both primary and secondary.
- Ensuring effective time management skills and work across both primary and secondary sites: self-motivated, ability to meet deadlines and to work flexibly.
- Collaborating sensitively with a range of stakeholders to develop and support programmes. Where appropriate work with members of SLT when coordinating and delivering CPD.
