

Summer Camp 2-5 years old.

Looking for a summer camp that combines play, exercise and English education?

BST summer camp is perfect for children age 2-5.

Each weekly session unfolds around a captivating theme to encourage hands-on learning and engage campers in new stimulating indoor and outdoor activities to build their confidence in the English language as we play and learn together.

Join us for games, sports, music and movement, nature walks, cookery, art activities and lots more, where our days are filled with fun and plenty of opportunities to use those 'big' imaginations.

All activities are carried out in English

Week 1 - This week's theme - In the jungle

Wild, new adventures every day.

Grrrrreat fun as we go on safari... What wild animals do you think you will see? Lions and Tigers and Bears, Oh My! Campers will exercise their gross and fine motor skills while enjoying a variety of games, sensory walks and moovin' and groovin' to the Hippo Stomp. All activities designed to build concentration, strength, speed, and skill while having loads of fun.

Week 2- This week's theme -colour explosion

Become an artist and discover your colourful and creative side. Our campers will have ample opportunities for hands-on-learning investigating their world through intriguing colours, rainbows, magical sights and sounds with each day's sensory discovery. Old clothes needed this week as the children will create, laugh and love getting really messy!!!!!!!

Week 3- This week's theme - all aboard

Get ready to make a splash! One week at sea, sailing aboard a pirate ship as we explore the crystal blue ocean on our aquatic adventure packed full of marine activities. Ample opportunities for hands-on learning as the children investigate their world through water-play, bubbles, and sea life.

Week 4 - This week's theme -our amazing world

Lets get outside and learn about our natural world through intriguing flavours, smells, sights and sounds with each day's sensory discovery. Explore weird and wonderful mind-boggling experiments. Use our imagination to create or build.

All activities are designed to improve concentration, strength or create masterpieces while our young campers are having loads of fun and at the same time learning about the world around them, different cultures and countries.

Week 5- This week's theme - 3, 2, 1.....

Are you Ready? Get Set..... GO!!!!

Campers will use all their teamwork skills through hands-on participation as we enjoy some fun competitions and go for gold as we prepare for our grand camp finale.
