ENGLISH

In English we will be walking through Fairy Tale land, looking at naughty and nice characters and stopping at Hansel and Gretel's door. We will explore how different the stories would be if the good and bad characters were changed around and creating our own stories! As Halloween approaches, we will learn how to write and follow instructions on how to make a 'Halloween Pizza'.

MATHS

Our maths this term children learn to compare and order numbers from 1 to 100. They will recognise the place value of two-digit numbers, finding tens and ones and will be able to use this to solve problems. They will also make more use of number lines and will be able to use less than (<), more than (>), and equals (=) symbols.

P.S.H.E.E.

Our focus is on how to make simple choices that improve health and wellbeing.

We will develop the skills to make choices about food, understanding the benefits of eating a balanced diet, and learn the importance of exercise and personal hygiene.

ESPAÑOL

Estaremos repasando las grafías y fonemas de las vocales y algunas consonantes (l, p, m, s, t, d, n, f).
Escucharán audiocuentos que reforzarán valores de convivencia y practicaremos la lectura para mejorar su competencia lectora.

Year 2 Autumn Term 1 Naughty or Nice?

MUSIC

We are working on pitch and rhythm when learning a song for harvest.

ART

We will be learning about the artist Giuseppe Arcimboldi and recreating one of his 'Fruit Faces', before designing a naughty face using unhealthy food. We will use a variety of materials to make the witch's gingerbread house from Hansel and Gretel, and make the classroom look like the inside in time for Halloween!

TOPIC - HISTORY

Our focus this term will be on houses and homes, both real and fictional, comparing house features and home life in the past and now through the eyes of a young Victorian boy.

Computing

This term we will be learning about Internet Safety. We will explore reliability in the online world.

Science

We are learning all about animals including humans. We will find out about and describe the basic needs of animals, including humans, for survival (water, food and air). We will describe the importance for humans of exercise, eating the right amounts of different types of food, and hygiene.

P.E.

We will develop fundamental movement skills, become increasingly competent and extend their agility, balance and coordination individually and with others.
